## EDUCATION

---

<b>Bowling Green, Ohio</b>	<b>Bowling Green State University</b>	<b>Expected Graduation: August 2020</b>
----------------------------	---------------------------------------	---

- Bachelor of Science in Computer Science

### Undergraduate Courses

- Web Application Development; Internship Preparation; Operating Systems; Programming Languages; Design and Analysis of Algorithms; Data Structures; Introduction to Software Engineering; Python for Computational and Data Science; Artificial Intelligence Methods and Object-Oriented Programming.

## TECHNICAL EXPERIENCE/PROJECTS

- 
- **Personal Website** (2019). I built my own personal website using Amazon Web Services (AWS). The website updates whenever there is a change to the GitHub repository. My website was created by using HTML, CSS, JavaScript.
  - **Movie Database with React** (2020). I built a Movie Database project with React. It would take in data from a Movie API and populate the information that I assigned: like title, description, poster, header and release date. The project is available on my GitHub page.
  - **Interactive Product Page** (2019). I built an interactive product page for a smartphone. It used HTML, CSS and JavaScript. The project is available on my GitHub page.

## LANGUAGES AND TECHNOLOGIES

- 
- **Most Experience:** C++, HTML5, CSS, JavaScript, Python.
  - **Some Experience:** React, jQuery, JSON, PHP, TypeScript, SQL.
  - **Tools:** Visual Studio Code, AWS, Git, GitHub, Xcode, NPM/Yarn.
